

NOTRE DAME SENIOR ALUMNI

COMMUNICATIONS COMMITTEE REPORT

FALL MEETING

SEPTEMBER 7 THROUGH SEPTEMBER 9, 2008

IVY COURT SUITES, SOUTH BEND, INDIANA

The Notre Dame Senior Alumni tent was set up during reunion 2008. Forty-three people signed in at the tent during reunion.

Mike Pinter conducted an NDSA seminar at reunion which was attended by thirteen people.

A three paragraph statement about NDSA was included in the program sold at the Notre Dame vs San Diego State football game on September 7, 2008. The statement highlighted our Hospital Program and PACE Program initiatives.

We continue to work for an agreement between NDSA and the Notre Dame bookstore to reward one or more people who would send in an article for inclusion in the NDSA newsletter.

The committee is working with former directors Michael Pinter and John Stuebaker to have the NDSA tent set up and manned for all home football games this fall. The tent will be up on both Friday and Saturday of home game weekends.

Committee members and other directors are assisting at the football tent to sell tickets for a drawing of a six foot by six foot Notre Dame rug made by John Stuebaker.

Respectfully submitted,

Robert Drajem, chairperson
