### 3. STATUS OF YOUR PERSONAL GOALS AND OBJECTIVES

Since our Winter Meeting, I have written letters and e-mails and have telephoned every Club President in an effort to urge participation in the Hospital Support Program (HSP), Most clubs in this region are struggling just to keep afloat with the traditional ND Alumni activities. It feels as if interest has waned over the years. Sadly my efforts to recruit more participants have not been successful. Presidents seem overwhelmed or uninterested. Some do not even return my calls.

My goal for this Spring Senate Meeting is to personally seek out each representative from every club in my Region to try and spark some enthusiasm.

### 4. VISITS AND KEY INTERACTIONS WITH CLUB LEADERSHIP

(Report any additional information not already reported in Section 3 above)
