ATTACHMENTS 2, 3, 4

Since the Spring meeting I have been working with the Network Committee on issues related to the Hospital Support Initiative and Diocesan Assistance Initiative.

Having been recently appointed to guide the Diocesan Assistance Program, I plan to write each club president of clubs likely to be able to launch this Initiative and stay in contact with them.

I met exclusively with club representatives at the Spring Senate meeting and promoted not only NDSA representation on Club boards but also the Hospital Support Initiative.
